## ROOSEVELT'S BOOM SURVIVES ENEMY'S FIRE

### Wayne and Genesee Counties Shift Support to Navy Official —17th District Will Back Him

### 500 VOTES CLAIMED

### Wadsworth Declares Protege Has More Than Majority for First Ballot — Opposition Not United

Rochester, Sept. 24.—The candidacy of Theodore Roosevelt, assistant secretary of the navy, for the Republican nomination for governor of New York successfully withstood today the gruelling attacks of the opposition. Colonel Roosevelt appeared tonight not only to have held on to his voting strength in the Republican state convention but it was learned that both Wayne and Genesee counties, which had been behind the candidacy of Guy B. Moore, district attorney of Erie county, had shifted to the Roosevelt column. In addition, it was said that the delegates from at least one New York city assembly district, the 17th, would vote for Roosevelt tomorrow instead of for the New York county candidate, Colonel William Hayward.

Chenango county, which has been for Hayward, was reported to have switched to Roosevelt.

Senator James W. Wadsworth, who is squarely behind Roosevelt in the convention struggle, was claiming more than 500 votes for the assistant navy secretary on tomorrow's roll call, or more than the majority necessary for nomination. Predictions were made tonight that Roosevelt's nomination on the first ballot was probable.

**Roosevelt Support United.**

The Roosevelt support is united; the opposition is united only in opposition, but at variance on an opposing candidate. Managers of the candidacies of District Attorney Tompkins of Nyack and Colonel William Hayward of New York declare that their respective entrants are in the fight to the finish and will not withdraw.

There are also those who do not favor Colonel Roosevelt, but who have no compromise candidate. It has been suggested that the nomination be forced upon Senator Wadsworth, but the senator himself has flatly rejected the proposal. Thadeus C. Sweet of Oswego and Bertrand H. Snell of St. Lawrence, both members of congress, have been mentioned as possible compromise candidates, but no looms have been developed.

Jacob Livingston, leader of the Kings county Republican organization, one of the foremost Roosevelt opponents, will not have united delegation behind him in support of Justice Tompkins. At a caucus held late today the delegates decided to vote as follows: 27 for Tompkins; 20 for Roosevelt, and one for Hayward.

Regarding the balance of the ticket, Richard Lawrence of the Bronx and State Senator Seymour Lowman of Cheming are most prominently mentioned for lieutenant governor. John J. Lyons of New York, who held the post under Governor Miller; Mrs. Florence E. S. Knapp of Onondaga, and Charles W. Taft of Madison are leading for the post of secretary of state, although Mr. Lyons is not campaigning for the nomination.

**Adopt Platform Today.**

Assemblyman Vincent B. Murphy of Monroe is making a vigorous fight for nomination for comptroller. Palmer Canfield of Ulster, former prohibition enforcement director and mayor of Kingston for many years, Mayor Harry E. Clinton of Troy and [illegible] are mentioned possible nominees for attorney general.

The convention held its first session today and heard the keynote speech of Nathaniel A. Elsberg of New York, the permanent chairman. Mr. Elsberg struck his hearers to enthusiastic approval by his eulogy of President Coolidge and his denunciation of Senator Borah. His references to Senator Lodge and Charles W. Bryan and Governor Smith drew cheers of approval from the delegates.

The session lasted less than an hour and a half and adjourned after effecting the temporary organization. It will reconvene tomorrow forenoon for adoption of a platform and the nomination of the candidates for governor and other state offices.

The platform builders were working all night. The session tonight, after an open session in the afternoon, which was followed by the declaration of Rev. Dr. S. Miller of Albany, superintendent of the New York civic league, that four-fifths of the membership of the Ku Klux Klan is made up of Republicans, and that to denounce the Klan by name would lose the votes of thousands of voters for the party candidates. A plank designed pledging the party to the enactment of a prohibition enforcement statute to replace the Mullan-Gage law was virtually decided upon. It was understood at the close of the open hearings. Women's equal rights, rural schools, ratification of labor laws were also named as platform material.

## ENGINEER KILLED; 10 PERSONS HURT

### Passenger Train Hits Auto Stalled on Crossing—Pullman Knocks Telegraph Pole Down

Kalamazoo, Mich., Sept. 24. — The engineer was killed and 10 passengers were injured when a Michigan Central passenger train westbound from Detroit was wrecked on the eastern outskirts of this city at 5:30 o'clock this morning.

Arthur Adams, 50, of Jackson, Mich., is the man killed. A fireman, Henry Martin, also of Jackson, was among the injured.

Train No. 1 struck an automobile stalled on the tracks where it had been left while its owner went to a nearby mill for help in pushing it from the tracks. Running about an hour late, the train was traveling at between 50 and 60 miles an hour when it struck the car which stood crosswise of the rails.

As Engineer Adams, who was scalded to death, applied the emergency brakes, the train of 11 steel coaches apparently buckled in the middle. One Pullman car shot to the right knocking down telegraph poles and finally coming to a stop on a street, right side up. The next car started in the same direction, and was partly tipped over. The remainder of the coaches were strewn along the right of way. The last three coaches remained on the rails.

## BROADWAY PLAYS TO BE CENSORED

### Policemen and Stenographers Will Attend Such Shows as Seem Beyond Bounds

New York, Sept. 24. — Censorship of Broadway plays will be undertaken immediately by members of the New York police department, it was announced by Police Commissioner Enright.

Policemen, accompanied by stenographers, will attend performances against which complaints have been lodged with the city authorities. While the policemen observe the actions on the stage, the stenographers will make faithful transcriptions of the actor's lines. The results will be communicated to the city legal department for action in the courts.

The censorship decision was reached late today at a meeting called by City Commissioner of Licenses William F. Quigley on request of Mayor [illegible], who said he had received complaints that certain current plays were "filled with nudity, obscenity, and profanity."

Commissioner Enright admitted today that an unnamed play mentioned in the mayor's call for the conference was a drama recently opened in a Broadway theatre dealing with the life of the United States marines in France during the war.

## MANCHURIAN WAR LORD'S MEN BOMB ENEMY HEADQUARTERS

(By the Associated Press)

Tokio, Sept. 24. — A communique issued by Chang Tso-Lin, the Manchurian leader at war with the central government at Pekin, claims that his air forces bombed the enemy quarters at Shanhaikwan yesterday morning, destroying a hotel in which the quarters is located and killing many, according to the Nichi Nichi's Mukden correspondent.

The communique also claims that the Manchurian airplanes bombed a train arriving at Shanhaikwan from Pekin, wounding several of the passengers. The Hochi's Mukden correspondent says the Hochi's Mudken Chang's fifth army, composed mostly of Mongolian troops, drove back the central government troops near Shanhaikwan on the Chihli-Manchurian border.

## SHERIFF WOUNDS PRISONER AS HE SEEKS TO ESCAPE

Corning, Sept. 24. — Charles Bowes, alias Brown, of Belmont, is in Bath hospital with three bullet wounds in his leg following his attempt to escape this noon from Sheriff L. W. Kellogg of Bath as the latter was taking [illegible] to be arraigned in county court at Bath.

Bowes, who was indicted for burglary, third degree, for the alleged theft of some automobile tires, bolted from the sheriff who ordered him to stop and when he refused, the officer pulled his gun and fired, three bullets taking effect. It is not believed his wounds are serious.

## MIDNIGHT BATTLE IN CHINA; LU SENDS UP 2,000 RESERVES

(By the Associated Press)

Shanghai, Sept. 25. — A midnight movement of the invading Kiangsu army in the Kiating area, northwest of Shanghai, resulting in an important action, was reported early today at Lunghwha, headquarters of the defending Chekiang forces.

Lu Yung-Hsiang, the Chekiang commander, sent 2,000 additional troops to the front, strengthening the lines generally with new ordnance, including two anti-aircraft guns.

The situation in Shanghai is unchanged.

**PARACHUTE JUMPER HURT.**

Utica, Sept. 24. — Leon Claflin, [illegible] aeronaut, is in the Broad Street hospital, Oneida, with two broken bones in his left leg which he sustained late this afternoon in a parachute drop following a balloon ascension at the opening of the Vernon fair. To prevent landing in the [illegible] creek Claflin held out one foot which caught on a fence post.

## NO NAME BUT SMITH HEARD FOR GOVERNOR

### Incumbent Executive and Elective Associates Seem Likely to Be Renominated by Acclamation

### WILL NAME KLAN

### Secret Organization Will Be Denounced by Name—Platform, in Main, Expected to Be But Little Altered

Syracuse, Sept. 24. — The Democracy of the Empire state assembled tonight in an atmosphere of jollity and harmony for the opening of the state convention tomorrow, with all indications pointing to the renomination by acclamation of Alfred E. Smith and his associated elective officers.

The governor has not yet said he would run, but no other person's name has been mentioned. He was in active charge of the situation today, summoning various leaders to his headquarters for consultations; discussing proposed planks in the platform, and generally overseeing details of the convention. His name will be placed in nomination by Senator William T. Byrne of Albany.

Actual surface developments today were few, and old timers agreed that they had rarely seen such a quiet convention crowd. Even the arrival of the Tammany braves from New York in the late afternoon failed to cause a ripple of excitement.

Developments of a suitable platform for presentation at the opening session occupied the attention of Governor Smith and his advisors most of the afternoon. Persons familiar with the chief features of the document, however, declared that practically nothing new would be included in its structure.

The Ku Klux Klan will be denounced by name, it was learned.

Opposition which the Republican assembly showed last winter to the legislative program of Governor Smith also will be denounced. Federal administration of the Veterans' bureau and the Teapot Dome oil situation are also slated for their share of denunciation.

**Proceedings Begin at Noon.**

The platform will adhere closely to legislative programs of the Democrats for the past six years.

Tomorrow's program calls for a meeting of the state committee in convention headquarters at which general policies and routine of the convention will be considered. At noon the convention proceedings will get under way at the Arena, a large military drill hall, some distance from the business district of the city. The Arena will seat about 6,000 persons. It has been decorated with Stars and Stripes and bunting.

The Rev. F. W. Betts, pastor of the First Universalist church, will offer the invocation, after which Herbert C. Pell, Jr., chairman of the state committee, will call the gathering to order. Francis E. Cullen of Oswego, temporary chairman, then will deliver the keynote address and the convention will probably adjourn until Friday.

At 4 p. m., the resolutions committee will assemble for the consideration of the platform.

Women's activities in connection with the convention will begin with a dinner tomorrow night in the Hotel Syracuse, at which the guests of honor will be Mrs. Alfred E. Smith and Mrs. John W. Davis, wife of the Democratic presidential nominee.

## SYRACUSE STOCK SALESMAN BEING HELD IN CLEVELAND

Cleveland, Sept. 24. — Nathan W. Cook of Syracuse, who police say, is charged with stealing $75,000 worth of bonds there, was arrested here today.

Cook admitted his identity, but denied the charges.

Syracuse, Sept. 24—Nathan W. Cook, stock salesman and choir leader, who was arrested in Cleveland today, left Syracuse suddenly September 9, and is now being held by Cleveland police pending arrival of a detective who will return him to his city, where he is wanted on a charge of grand larceny, second degree.

For years identified with one of New York's large brokerage companies and of late a familiar figure in Syracuse's financial field, Cook is enmeshed in financial difficulties reported to involve more than $60,000.

## AVIATORS READY TO RESUME FLIGHT TO SEATTLE TODAY

Los Angeles, Sept. 24.— After a day of rest, following what they said was the greatest reception of all of their aerial trip around the world, tonight found the six aviators of the army world flight ready to start tomorrow morning from Clover field, Santa Monica, near here, to Crissy field, San Francisco, they announced.

The three great world cruisers are in fit shape and, weather permitting, the globe girdlers will take off about 10 a. m. on the third from the last leg of the official flight around the world, termination in Seattle.

Lieutenant Smith will lead the three planes over territory that he knows as well that he will feel like running around in his own back yard, he said.

They plan to land in San Francisco about 5 o'clock tomorrow afternoon.

## FOUR NEW JEWEL ROBBERIES KEEP POLICE PUZZLED

### Estranged Wife and Companion Held Up by "Soup and Fish Gang" as They Enter Apartment House

New York, Sept. 24.—Police lifted the veil of departmental secrecy today so far as to reveal that detectives had been working surreptitiously on four new gem robberies believed to have been accomplished by the "soup and fish gang" of apartment house bandits.

Confirming unofficial reports, the authorities admitted that on the night of September 5, Mrs. Karl Hoffman, estranged wife of an Albany jeweler, was the victim of Beau Brummel gunmen as she returned from the theatre to her fashionable studio apartment in 51st street, accompanied by William A. Walling, former city attorney.

A limousine awaited at the curb as Mrs. Hoffman and Walling entered the apartment building. As they moved toward the elevator, two other men came up in full dinner dress, drew pistols, struck down Walling's fists and, while Mrs. Hoffman's screams brought a crowd to the door, snatched a platinum diamond neck ornament from her, dove through the crowd into the limousine and made off.

**Heard "Minor Noises."**

Another theatre hour robbery was reported by William F. Kenny, contractor, and father of the Polish countess De Prorok, whose apartment was ransacked last Sunday evening. Kenny's son and four servants were in the house at the time. All they heard were "minor noises" to which they attached no significance until the work of the burglars was discovered.

In this same exclusive residential section, police admitted, bandits had looted the home of Francis Danforth, manufacturer, of $2,000 worth of silverware, and jimmied a child's bank of $20 it contained.

For five days detectives had been secretly investigating the robbery of Mrs. Logan Glendenning of Kansas City of $50,000 worth of jewels while she was absent from her New York home in the Hotel Plaza. This job, also, is believed to have been perpetuated by the "soup and fish gang."

## LENINGRAD SUFFERS FROM HEAVY FLOODS

### Martial Law Declared — Warehouses Damaged — Water Nine Feet Above Normal

(By the Associated Press)

Leningrad, Sept. 24.—Martial law has been declared here owing to the serious condition brought about by the floods due to the heavy gale of Tuesday.

Early this morning the floodwaters still remained nine feet above normal, but they were showing a tendency to subside.

The militia, firemen and regular soldiers, together with vigilants committees, are preserving order. The great warehouses along the waterfront have been damaged by the floods.

In the adjacent islands the water reached the second floor of buildings. Many sections of the city of Leningrad are completely isolated. Relief work on a large scale has been organized.

Telegraphic and telephonic communication with Moscow has been suspended.

## PEACEMAKER KILLED AS HE TRIES TO END QUARREL

New Rochelle, Sept. 24.—Michael Pupo, 18 years old, was killed in front of his home here early today by the discharge of a double-barreled shot gun while he was acting as a peacemaker between two of his friends, both middle-aged men. The police are searching for Albert Nicholai, alleged owner of the gun, who disappeared after the shooting.

Pupo had started a fight between Nicholai and Santo Marciano at an Italian festival earlier in the night, according to the police, and still was trying to prevent injury to Maricano when the shot gun was fired at close range, the discharge entering his breast. Marciano and two other men were held as material witnesses.

## PERSHING TO DRAW FULL PAY FOR LIFE IS RULING

Washington, Sept 24.—General Pershing as a retired army officer, will receive the same pay and allowances that were his in active service, under a decision handed down today by Comptroller General McCarl.

The decision confirmed one by Major General Bethel, judge advocate general of the army, which held that the act of congress appointing Pershing general of the armies, provided full pay for life.

General Bethel submitted his opinion to Secretary Weeks, who, to make sure of the interpretation of the law, referred the question to the comptroller general.

**MURPHY LEFT $67,504.**

Los Angeles, Sept. 24 — Jimmy Murphy, automobile racer, who was killed in a race at Syracuse, N. Y., recently, left an estate valued at $67,504, it became known yesterday. The estate consists chiefly of Los Angeles real estate and securities and includes two racing automobiles, one pleasure car and an airplane.

## MANY PROMISES MADE BY G. O. P. AT CONVENTION

### Elsberg in Keynote Address at Rochester, Says Party Would Grant All Just Demands of Citizens

### EFFICIENCY, TOO

### Speaker Charges Smith Regime With Wasting Money and Tax Cuts Made Possible by Miller Administration

Rochester, Sept. 24. — Promising that if the Republican party is returned to power at Albany in November it will give the people of the state "a government not only of sincere economy, but one responsive to efficiency, but one responsive to progressive thought and to every just demand," Nathaniel A. Elsberg of New York, chairman of the Republican state convention, attacked the administration of Governor Alfred E. Smith in his keynote address today.

The former state senator charged that the "voracious appetite of Tammany hall" had "all but devoured the resources of the state" and that in the last two years appropriations had jumped more than $40,000,000 over those of the regime of Governor Nathan L. Miller. Of this increase, he said, "about five millions are in the public payroll—that favorite morsel in the Tammany bill of fare."

The duty of the Republican party in the coming election, Mr. Elsberg asserted, "is to keep America—to keep it as we have known it, not as it would become if its people pursue phantoms here and abroad, or if the Bryans and LaFollettes are allowed to work their will."

**Glad LaFollette Shows Color.**

Referring to John W. Davis and Governor Bryan as "the strangely mated pair" and to Senators LaFollette and Wheeler as a "hybrid ticket composed in equal parts of renegade Republican and renegade Democrat," Mr. Elsberg said he would not attempt to predict which of the two would finish last. The Republican party, he continued, wanted its enemies "out in the open," adding: "and I for one am grateful that Senator LaFollette has now done nominally what he did long ago actually, and that Republicans are rid of him at last."

The independent candidates, the chairman declared, "are fit associates for each other—fit associates in their readiness to barter economic truth for votes; in their willingness to divide the people into classes and to substitute for national solidarity a mutually bitter class distrust; fit associates in their efforts to impair the safeguards of the constitution and the power of the courts to enforce those safeguards in defense of individual rights. * * *"

Turning to the Smith administration, the chairman declared that the Democrats had "sent up a smoke screen to divert attention from the facts." The Republicans charge, he continued, that the Democrats' scheme of consolidation of state departments included the attempt to place the departments of education and of farm and markets under political control, an effort which had been blocked by the Republican assembly.

The people should be thankful, Mr. Elsberg asserted, that in the last two years, "through a body which Republicans controlled, there was at least some check on the voracious appetite of Tammany hall at whose mercy the state would otherwise have been."

**Charges Democrats Greedy.**

Continuing, the chairman said:

"We charge that there has been no honest effort by the present administration to make the budget system now in force work in the effective way in which it has worked before, and that behind the pleas for changes [illegible] unduly to increase executive power, power which by shifting the time of state elections our opponents would then hope permanently to control. We charge that the appetite to which I have referred, not satisfied with the luscious pickings of the city whence I come has all but devoured the resources of the state; that in the two years of the present dynasty appropriations have jumped more than 40 million dollars over those of the Republican two years which preceded; that of the increase about five millions are in the public payroll—that favorite morsel in the Tammany bill of fare.

"And we charge that the reduction in the state tax, for which the governor claims his party should receive the credit, was made possible only because of the savings of his predecessor, and that otherwise the treasury of the state would be a worse quantity at the ending of the current fiscal year."

President Coolidge, Mr. Elsberg asserted, "put the case correctly when he said that the way to save is—to save. Smiles won't do it. Promises won't do it. Bluster won't do it. Intelligence alone will do it. Honest purpose and good faith are necessary, too. To them we pledge the candidates of this convention, and we promise the people of the state that, if returned to power, we shall give to it a government not only of sincere economy, not merely of efficiency, but one responsive to progressive thought and to every just demand."

## REPRESENTATIVE HILL IS INDICTED

### Charged With Making and Illegally Possessing Cider—Home Called Public Nuisance

Baltimore, Sept. 24. — Representative John Phillip Hill was today indicted by the federal grand jury on a charge of manufacturing and unlawfully possessing wine and cider at his home here, and with maintaining a public nuisance thereby.

The indictment, which contains six counts, is a result of his avowed efforts during the past two years to obtain a definition of the term "non-intoxicating cider and fruit juices," in Section 29 of the Volstead act. Mr. Hill contended that under it farmers were allowed to make cider with an alcoholic content of more than one-half of one per cent, while city dwellers were restricted to beer of just that percentage.

In September, 1923, Representative Hill manufactured fruit wine at his residence, after notifying Prohibition Commissioner Haynes of his intention, and requesting that he be informed when to stop fermentation. Following this, a temporary injunction upon his home was secured. No date, however, has been set for a hearing on the petition of District Attorney Woodcock for a permanent injunction.

Experimenting again, Mr. Hill several weeks ago decided to make cider. He did so, from apples grown on his property, he said, and allowed it to attain an alcoholic strength of 2.75 per cent. This cider was served to several hundred friends at a "party" last Saturday night, and the indictment today is the outcome.

## PLANE SPEED RACES TO BE HELD OCT. 4

### Pulitzer Contest Requires Entrance Test Speed of 175 Miles an Hour

Dayton, O., Sept. 24.—The Pulitzer race, the supreme speed test of the world for airplanes, will be held on the last day of the international air races here Saturday afternoon, October 4.

Unless a last minute entry is made, three planes will participate in the speed test. All are about evenly matched.

Captain Bert Skeel of Selfridge field, Mich., will fly a Curtis R-6 racer, as will Lieutenant W. H. Brookley of McCook field. Lieutenant H. H. Mills of Wilbur Wright field, will pilot a Verville Sperry racer.

Just three years ago, the Pulitzer race was won by Burt A. Acosta, who went 176 miles an hour, and the planes must make 175 miles an hour before they can enter this time.

In 1922, the mark was jacked up to 205.8 miles an hour by Lieutenant Russell L. Maughan, and last year Lieutenant Williams hurled through the air at the rate of 243 miles an hour.

## INSTITUTE DEDICATED TO ELIMINATE PLANT DISEASE

Yonkers, Sept. 24.—Dedicated to the study of more scientific methods of vegetable production, the Boyce Thompson Institute for plant research was opened here today. It has a $5,000,000 endowment and a staff of 20 biologists.

The institute will devote its efforts to elimination of diseases that hamper the growth of food plants in the United States.

Dr. William Crocker, the director, said today that if the present rate of population increase continues, this country 15 years hence would produce only enough foodstuffs to equal its own requirements and that soon thereafter it would need to import food, unless great improvement took place in farm production.

## WOMAN, SUBJECT TO DIZZY SPELLS, KILLED BY FALL

Buffalo, Sept. 24. — Miss Fannie Harnit of Toledo, 52 years old, was [illegible] jumped from her room on the 10th floor of the Hotel Statler.

Miss Harnit was planning soon to sail for Europe. She was spending a few days with a lifelong friend, Mrs. J. C. Greves of Elmira. Mrs. Greves told the police that she believed Miss Harnit accidentally fell from the window of her room during a fit of dizziness to which she had been subject for several years. She was not despondent nor moody during their evening visit, Mrs. Greves said.

**HERRIN GUARDS INCREASED.**

Salem, Ill., Sept. 24.—Two squads of Company I of the Illinois National guard were ordered tonight to entrain tomorrow morning for Herrin. The troops will leave at 6 a. m. tomorrow. The troops, it was reported, had been called to Herrin to augment the detail on duty there and to protect the court room where City Judge E. N. Bowen will begin the hearing in trials growing out of the recent Herrin disturbances.

**TRUCK HITS FREIGHT TRAIN**

Leroy, Sept. 24. — Two men were killed this afternoon and one was injured when the truck in which they were riding crashed into the side of a moving freight train at an Erie railroad crossing a mile east of here. The driver, Gordon B. Postle, 21, died in an ambulance, and William Allen, 21, died in a hospital of a fractured skull. Edward Lathan, the third man, was not injured seriously.

## MRS. SWEETIN SHOWS EFFECTS OF QUESTIONING

### Near Nervous Breakdown — Tells of Relations With Rev. Hight —Says She Is Sorry She Killed Husband

### STILL SWEETHEARTS

### Minister Declares He and Woman Will So Remain Until Death —Relates How He Poisoned His Wife

(By the Associated Press)

Salem, Ill., Sept. 24. — The strain of an all-night questioning, coupled with the worry of a mother over her children, and subsequent loss of appetite tonight has brought Mrs. Elsie Sweetin, who has confessed that she had poisoned her husband in a plot with the Rev. Lawrence M. Hight of Ina, to the verge of a nervous breakdown. Her condition has become such that upon instructions of her physician, Dr. S. O. Thompson, nobody is permitted to see her unless she requests it.

The greater part of the time she has been in jail Mrs. Sweetin has been on her iron cot, either sitting or lying down. Since her arrival she has mentioned her confession, made at Mt. Vernon yesterday morning, only once, saying she would not have confessed had it not been at the urgent request of the clergyman when the two were closeted in a cell for nearly three hours.

Tonight Mrs. Sweetin received a note purporting to be from her mother and brother assuring her of their assistance, and promising to take care of her three children who are now with their grandfather at Ina. She was also advised in the note to employ counsel, and not to worry about the future.

**Tells of Relations With Minister.**

In a lengthy interview with a newspaperman this morning, Mrs. Sweetin told how her relations with the minister began and how they gradually grew more intimate until she realized she had fallen in love with the minister, who lived only two blocks from her home.

"One night in April," she said, "he won my confidence. I thought he was a great religious man. After he had won my confidence, I yielded to his suggestions in every way."

When asked whether she was sorry that she had poisoned her husband, she answered:

"Yes, I am sorry, very sorry; I certainly am sorry."

No apparent emotion was visible in the woman's features or attitude at the mention of the minister's name, either directly or indirectly.

Her answer to the direct question whether she had poisoned her husband was vague.

"He (the Rev. Hight) said I did do it (poison her husband) and then sometimes it seems I did not. I do not know. I do not know why and how I could do it."

**Are Still Sweethearts.**

Nashville, Ill., Sept. 24. — "Mrs. Sweetin and I are sweethearts and will continue to be until death parts us," said the Rev. Lawrence M. Hight tonight, who has confessed that he poisoned his wife, and, that he instigated the poisoning of Wilfred Sweetin, husband of the imprisoned woman. He was brought here from Mt. Vernon jail yesterday.

"I deplore the terrible deed," said the clergyman today. "I deplore it on account of my three children, my other relatives and a host of friends, needless to say that I wish I could recall my deed."

The clergyman then related the circumstances surrounding the illness of his wife, caused by meat.

"She suffered an attack of ptomiane poisoning," he said, "and for a while was very ill, but recovered soon." To relieve her pain, he added, he gave her poison, and then he conceived the idea of carrying out his end of the poison plot, to which he confessed last Monday morning, at Mt. Vernon.

"What was left of the poison," he [illegible] do not know what she did with it."

## GERMANY AND BRITAIN END TRADE TREATY NEGOTIATIONS

(By the Associated Press)

Berlin, Sept. 24.—The negotiations between Great Britain and Germany on the proposed treaty of commerce have collapsed.

The negotiations had been proceeding three days between representatives of the British board of trade and the German trade ministry. It was said that the negotiators found it impossible to discover a common basis for the proposed trade treaty.

Strict secrecy was maintained on both sides, but it is believed that the main reason for the breakdown of the discussions was the German refusal to grant concessions Great Britain demanded respecting the exemption from the taxation of British goods exported to Germany. On these goods, under the new German tariff now in course of preparation, virtually prohibitive duties will be imposed.

**STEAMER LONG OVERDUE**

Cleveland, Sept. 24 — The whaleback steamer Clifton, formerly the Samuel Mather, bound from Sturgeon bay to Detroit, with 25 persons on board, is more than 50 hours overdue in Lake Huron, officers of the Progress Steamship company of Cleveland, her owners, announced tonight.

### GIANTS CRUSH PIRATES.

**Defeat Virtually Puts Pittsburgh Out of Running—New York Master at All Times.**

(By the Associated Press.)

New York, Sept. 24.—Battling forward with an irresistible rush with them to the front as pennant aspirants the New York Giants today sent Pittsburgh down to defeat for the second successive time, 4 to 2. It was a crushing and probably decisive blow to the pennant hopes of the Pirates, who are now three and a half games behind the champions. They have a mathematical chance only to catch the leaders with a clean sweep.

The make-up nine, with which John McGraw is making his last stand in one of the most hectic campaigns in diamond history, again covered itself with glory. Behind the fine twirling of Virgil Barnes, young right hander, the Giants played in sparkling form on the defense and made the most of their opportunities on the attack.

The Pirates were outgeneraled and outgamed at every turn. R H E

**Grimes in Hot Water All Way, but Fans Third Out of Inning in Many Instances.**

Brooklyn, Sept. 24.—Brooklyn won the final game of the Chicago series today, 6 to 5, after a third strenuous battle. Grimes went the route but was always in difficulties, the Cubs making 12 hits, including a home run by Adams off his spit balls. He pulled himself out of [illegible] holes in fanning the third man to retire the side and faultless fielding helped him at other times.

Alexander started in the box for Chicago, but was taken out in the fourth inning after the Dodgers had scored four runs, three in the second on three errors, and two outs, and one in the fourth on a pass to Loftus, a single by Grimes and High's sacrifice fly.

### CARDS DEFEAT PHILLIES.

**Rookie Hurler Allows but Nine Hits, Fans Seven, Three in One Round.**

Philadelphia, Sept. 24—Flint Rhem, St. Louis recruit pitcher, held Philadelphia to nine hits today and was returned an easy victory by the score of 9 to 4. The youngster set down seven of the locals via the strikeout route and in the second inning fanned the side. Hornsby hit his 25th homer of the season in the first, with one on base. Mueller also made a circuit blow.

### AS CHAMPIONS PLAY IT

**What club should be used, and how should the swing be made, to get the greatest distance out of high, thick grass?**

Answered by
CLARENCE HACKNEY

**Winner of the Canadian open championship in 1923-24. Also winner of the Philadelphia open championship in 1923-24 and the professional championship in 1924-25. Runner-up in many sectional tournaments, including the North and South championship four times in seven years.**

* * *

Use a mashie for long shots out of high grass. Both hands should grip firmly and an upright swing should be used. An upright swing is used for the reason that a flatter swing will bring your club into contact with too much grass before the ball is struck. The path of an upright swing is directly downward and avoids most of the obstructing grass. Also the upright swing gives greater accuracy and is easier to control, especially on shots from the rough. A club with a good bit of loft is necessary for this shot. A midiron lacks the loft for a shot of this kind and a wood club is the height of folly for a player of average ability. In fact, the experts seldom attempt a wood shot from the rough unless the ball lies unusually well.

### YANKS WIN PITCHING DUEL.

**Get Two Runs Off Uhle in Seventh After Game Seemed Destined to Continue Scoreless.**

Cleveland, Sept. 24. — New York made it three straight from Cleveland today, winning 2 to 0. Cleveland batted Jones as hard as the Yankees did Uhle, each making nine hits but bad baserunning by the locals spoiled a chance to score in the seventh while a double play killed them off in the ninth when they had the bases filled with only one out.

Uhle's pitching was so effective the Yankees scarcely threatened until the seventh when they scored the only runs of the game. With one out, Meusel lifted a pop double to short center that fell safely between Summan and Fewster. Ward followed with a low liner to center.

### SENATORS STILL KEEP LEAD.

**Make Clean Sweep of Series with Chicago, Winning 6 to 3.**

Chicago, Sept. 24. — Washington closed its American league season here today by taking the final game of the series from Chicago, 6 to 3, making a clean sweep of the series.

The victory enabled them to retain their two-game margin over the Yankees, who shut out the Indians. The league leaders bunched their hitting in three innings off Hollis, Thurston, White Sox ace, and played sensational ball behind Zachary, and had little trouble staying out in front. Chicago threatened to make things interesting for the southpaw and Walter Johnson was sent to the bull pen to limber up but Zachary's mates came to his rescue.

The Senators travel tomorrow and have four more games to play with Boston.

## Did You Know That— By Feg Murray

**Did You Know That—**

Joe Coble's victory in the National public links championship was a truly remarkable achievement because that young gentleman is a waiter in a restaurant and had very little time to play golf? Joe, who is Italian like Gene Sarazen, perfected his golf game on the only public golf course in Philadelphia—at Cobb's Creek. He won the Public links tournament in spite of circumstances that would have discouraged many a less determined man.

George VanElm, who is one of the best amateur golfers in the west, is also an amateur champion boxer? The blonde boy from Utah has won many a boxing medal as well as a golf cup, and has held both the Pacific Northwest and Southern California golf championships, and the Amateur boxing championship at Salt Lake city.

Jess Sweetser, the 22-year-old ex-champion golfer, was a promising half-miler at Yale? Sweetser once gave up golf for the cinder path, but again, luckily, on the advice of his friends, gave up his track career for golf.

### WATERBURY WINS AGAIN

**Ragged Baltimore Fielding Contributes to Defeat.**

(By the Associated Press.)

Waterbury, Conn., Sept. 24.—Waterbury blanked Baltimore in the second game of the series for the minor league championship of the east here today, 5 to 0, the Orioles being almost helpless before the deceptive slants of "Moose" Fuller, Waterbury's starboard star.

The Brassees took advantage of loose fielding by the Orioles, who played ragged baseball in the field behind the brilliant pitching of Ogden. Snappy fielding by the Waterbury infield cut down Baltimore rallies whenever the Orioles threatened. The third game of the series will be played tomorrow.

## MORRIS FAIR NEXT WEEK

**Elaborate Plans Being Made for Biggest Little Fair in New York State—Other Morris News.**

Morris, Sept. 24.—Next week is the Morris fair. The first day, Tuesday, will be devoted to receiving entries. In the afternoon there will be a ball game between the Morris High school and the South New Berlin High school. The free platform attractions will be witnessed and music provided by Company G band of Oneonta, which furnishes music during the fair. There will also be the 2:30 trot and pace for a purse of $300. Good races will be held every day. The mid-way this year promises an unusual number of attractions.

**Sells House and Lot.**

Mr. and Mrs. A. O. Bartlett, who recently purchased the Earl Southern place in this village and moved here from New York, have sold the property to Mr. Evans of Hartwick and taken his small farm in that place. They will probably exchange places about the middle of October.

**Gone to Clifton Springs.**

Mr. and Mrs. E. M. Sloan went to Clifton Springs last week where Mr. Sloan will take treatment for his health. He has been quite poorly this summer and his many friends hope he will return much improved in health.

**Visit Editor Wright.**

Mrs. Preston Wright and daughter, Marleah, of Geneva, and Herbert Davis of Canandaigua motored to Morris Saturday to visit Editor Wright of the Morris Chronicle. Miss Marleah Wright and Mr. Davis returned Sunday afternoon. Mrs. Wright remains for a two weeks' visit.

**Returns from Clifton Springs.**

Rev. E. E. Hutchinson, rector of Zion church, who has been at Clifton Springs for treatment the past few weeks, returned to his home in Morris Saturday night much improved.

**Guests of Mrs. Carrie Colvin.**

Frank Wilcox and Miss Minnie Wilcox of Middletown and C. C. Wilcox of Binghamton were guests of Mrs. Carrie Colvin two or three days last week.

**Returns to College.**

Maurice Bridges returns to his studies in the University of Pennsylvania this Wednesday for his second year, after spending a pleasant vacation at his home.

**On a Pleasant Trip.**

Mr. and Mrs. Russell Warren and Lee B. Cruttenden of Cooperstown motored to Morris Friday morning and in company with Mr. and Mrs. C. G. Bourne spent the week-end at Hammondsport.

**Through Adirondacks by Auto.**

Mr. and Mrs. R. R. Ripley were guests of Mr. and Mrs. T. A. Jewell of Utica from Friday until Tuesday and while there they accompanied Mr. and Mrs. Jewell on an enjoyable trip through the Adirondack mountains.

**Visiting in Buffalo.**

Mrs. W. W. Sanderson went to Buffalo last week to visit her son and wife, Mr. and Mrs. Legrand Sanderson, and their little son, recently born.

**Church Interior Redecorated.**

Those employed redecorating the interior of the Episcopal church the past few weeks, finished their job Saturday and returned to Syracuse. The interior of the church will be greatly improved in appearance when completed.

**Visited at "Kenyonstead."**

Donald and Selwyn Fleming of Frederekstead, Virgin islands, who are attending school a Syracuse university, spent the week-end at "Kenyonstead," with Mrs. Mary Kenyon.

**Church Notes.**

Zion church—There will be service at 10:20 Sunday morning next at St. Paul's chapel, New Lisbon. The service will be the celebration of the sacrament and sermon.

At 3 p. m. at All Saints' chapel next Sunday there will be the usual service of evening prayer and sermon.

Word has been received from the Irving Casson Davenport company of Boston that the reredos cannot be ready for Sunday, October 5, as promised. The consecration service will doubtless be held on October 12 as a result of this delay.

A new hymn board has been presented to St. Paul's chapel by Mrs Daniel Deree in memory of her late husband.

The rector wants to thank all who sent him letters and remembrances during his stay at Clifton Springs.

Baptist church—The Pathfinder's club met with Miss Frances Osborne Saturday. After the business meeting the time was spent with music and contests. A feast of good things to eat was provided by the hostess. The next meeting will be held October 18, with Mrs. Hunt.

Andrew Lang, secretary of the Oneonta Y. M. C. A., occupied the pulpit last Sunday.

Thursday evening prayer meeting at 8 o'clock. Topic, "Introducing the Three Johns—Which is Which?" Leader, Carey Aldrich and the Baraca class.

Rev. Thomas of Brookfield will speak next Sunday morning. In the evening a union service will be held in this church. The speaker will be Prof. W. C. Waterman of Syracuse university, who will present the claims of the Anti-Saloon league.

**Returns to School Work.**

Miss Alberta Hutchinson returned to her school work at St. Agnes school in Albany Tuesday.

**Personal.**

Mrs. Lillian Hillsinger has purchased the house and lot on Grove street, known by many as the Rood place, of Clyde Southwick. — Mrs. Percy Gould has ben spending a few days in Syracuse. — Miss Elizabeth Hollinshed of White Plains, a friend of Miss E. M. Mrs. Brown, Mrs. Smith's mother, came home with them and will stay for a time.

## MILFORD SCHOOL FAIR

**Large Attendance, Interesting Program and Fine Exhibit Yesterday —300 Children Present.**

There was a large attendance yesterday at the fair given on the Milford High school grounds by the pupils of the schools of that township. Altogether there were 300 pupils in attendance, including those from the Milford High school, Portlandville graded school and the district schools at Milford Center, Colliers and Dutch Hill. Though there are many more districts in the township, the pupils are sent to Milford and Portlandville, no less than six districts contracting with the former and four with the latter place.

Beginning at 10 o'clock, an excellent program was provided by the pupils of the several schools, and there was also an address by Prof. Adams of Cornell university, who spoke on Junior Project work. In addition to the pupils there was also a goodly number of parents present and much interest was manifested.

Following the morning exercises picnic dinner was served on the grounds and in the school buildings, and afterwards various games were indulged in and prizes for individual exhibits were announced.

The ball game between nines representing Milford and Portlandville schools was won by the latter, 11 to 10.

**Fair at Rogers Hollow.**

A school fair similar to the above will be held Friday of this week at Rogers Hollow in the town of Unadilla. Prof. Adams will speak and there will be exhibits of school and Junior Project work by districts.

## LAURENS GRANGERS TO FEAST.

**Will Hold Frankfurter Roast on Friday Evening Next.**

Laurens, Sept. 24. — In place of the regular grange meeting on Friday night, Sept. 26, there will be held on that date a frankfurter roast for grange members and their families, every family furnishing sufficient frankfurters, buttered rolls, with pie or cake, for themselves. Each one is asked to be at Grange hall at 8 o'clock. If the weather proves to be inclement, the roast will be held in the hall.

**Bake Sale Friday.**

The Marytha class of the Methodist Episcopal Sunday school will have on sale, Friday afternoon at 2:30, a full line of homemade bake goods, at W. E. Wart's store.

Lena, Sept. 24.—The Home Economics club will hold a half-day meeting at the Lena hall Thursday, September 25, at 1:30 p. m. Mr. Adams, a Cornell speaker, will be present. After the meeting, light refreshments will be served. A cordial invitation is extended.

**Fifty Attend Missionary Meeting.**

The missionary meeting held at the home of Chester Harrington last Wednesday was well attended, about 50 being present.

**Lena Personals.**

Mr. and Mrs. Morris Chase of Chase visited at the home of Chester Harrington recently. —Mr. and Mrs. John Harrington spent Sunday at Utica.

## A DESERTED VILLAGE.

**Schenevus Reported to Have Moved to Various Vicinity Attractions.**

Schenevus, Sept. 24.—During these pleasant September days many folks are taking advantage of the vicinity fairs, meeting old time friends and enjoying all the attractions presented. Today (Wednesday) Schenevus has the appearance of a deserted village, cars (practically all of them) are headed east to take in the Cobleskill fair. A school holiday has been declared and parents are co-operating nicely with the school management in selecting this day set aside for the outing. Last Week many residents travelled to Oneonta to the fair and speak very highly of the exhibits and attractions.

**Mrs. U. G. Welch to Speak.**

Mrs. U. G. Welch of Edmeston will be the speaker at the open house of the Woman's club to be held Friday afternoon from 2 to 5 o'clock, at the home of Charles S. Staley. A topic of live interest to one and all will be discussed by Mrs. Welch, her subject being, "The Ideals Set For the Child Welfare Worker."

**Attends Convention at Oneonta.**

Mrs. Henry Hastings, chief operator of the telephone exchange in Schenevus, was in Oneonta Tuesday and attended the district conference of the Up-State Telephone association, held at the Elks' club, and reports a most delightful gathering, with much of timely interest in the topics presented and discussed.

**Forming Violin Classes.**

Joseph L. Gage, violinist of Oneonta, will be in Schenevus Monday, September 29, between the hours of 1 and 5 p. m. at the High school for the purpose of forming a class in violin instruction.

Mr. Gage has been studying with Robert E. Gardner and is one of the best known violinists in this vicinity, having done considerable orchestra playing and appearing numerous times as concert soloist.

During the past summer he was substitute violinist with the famous Brunswick-Ansonia orchestra of New Jersey.

**Personals.**

For the first time in a number of years Mrs. John Griffin is visiting in Albany. Her son, Austin Griffin, motored here the end of last week and on his return was accompanied by his mother and sister, Miss Claribel Griffin, who will visit at his home for several days. Since Mrs. Griffin sustained a bad fall a number of years ago she has been a shut-in for a long period and only able to walk with [redacted].

Puts Castor Oil Bottle in Ash Can

Mother and the Kids Are Glad

Father Grins, Too

Throw away that bottle of castor oil, mother—you don't have to terrify the kids any more.

A chemist—and all the children will soon learn to love him—has after months of experiment succeeded in putting pure castor oil into high grade chocolate candy in such a manner that the oil is absolutely tasteless.

Give your child one of these delicious bonbons—which are called Kastor Jems—and he has taken a dose of castor oil.

If your husband needs a good dose of pure castor oil give him two.

Castor oil is the best bowel medicine and you can get a trial box of Kastor Jems for 20 cents at your druggist. The family size is 50 cents. City Drug store. Advt.

## EDITORIAL COMMENT.

Over in Schoharie county, the Richmondville Phoenix says, the primary election was a farce. There was no opposition to either the Republican or Democratic ticket; and since there was nothing to inspire enthusiasm, there was nothing to bring out the vote. The expense of the election was large, being the same as if there had been the most strenuous opposition, and it will generally be agreed that under such circumstances, when there is no office for which the[illegible] opposing party candidates, an amendment to the law might very well dispense with the primary entirely.

From Milford, Nebraska—not our neighbor town, Rev. C. M. C. Birmingham, leading clergyman, has appealed to voters for the defeat of his son Merle Birmingham, who is a candidate for congress. The latter lives in Minnesota, and is running on a wine-beer platform. The father deplores the fact that the son is running on a plank which would permit transgression and wrong doing, and the son says both self and father are working for the same end, but that the latter "looks through a glass, darkly. "Possibly the older Birmingham deplores looking through a glass—frequently.

Germany had lately indicated her willingness to become a member of the league of nations, but along with her assent to that policy come certain reservations characteristically Teutonic, and which naturally make the mind hark back to the days between the armistice and Versailles treaty. Among other things she wants a permanent seat in the league, but not to furnish her quota of troops to assist in enforcement of the league's action, and she desires to participate in the question of disarmament. That Germany should be admitted to the league under conditions which she now presents is to many unthinkable. In fact, they smack too much of Germany's attitude after the armistice, when by diplomacy she endeavored to keep what she virtually had lost in war. Germany, it is well enough for that country to remember, does not come to the allies as an equal but as a suppliant. When she admits unreservedly that she is defeated will be time enough to take the wayward one to the bosom of the league.

Concerning one of the most beautiful of garden flowers, grown in 1789 in the royal gardens of Madrid but which was for all that a Mexican product, there is something of history in which many residents of Oneonta will be interested. It was at first of yellow disk and scarlet rays, and even then, though undeveloped by the later art of the gardener, it was so beautiful that Abbe Cavanilles decided to give it the name of a distinguished naturalist, a pupil of Linnaeus. The man selected for the honor was Andreas Dahl, and from his cognomen came the universally known plant name Dahlia. So long as a hundred years ago there was a genuine Dahlia cult, and since then there have been developed many varieties of a plant conceded to be exceedingly versatile in coloring, and imitative in type. For instance there are now the cactus, anemone, aster, cosmos and chrysanthemum sorts, practically all of which can be found in Oneonta gardens. It is a wonderful flower, and perhaps no other holds such promise of great beauty and variety in years to come.

In the state of North Dakota the Republicans want the names of the four candidates for presidential electors removed from the state ticket. They were nominated as Republicans, but are staunch for LaFollette and say they will vote for him in the electoral college if chosen. There should be no necessity of legal process for removal of these candidates. They were named with general understanding that they would vote for the Republican candidates, but now they claim—and in this are doubtless right that an elector is not legally in any way bound to vote for the party candidates, since the constitution [illegible] presidents, but rather to provide for the choice of electors who would do so. Perhaps one outcome of the North Dakota situation may be the abolition of the electoral college and the choice of presidents by popular vote.

## ONEONTA HORSES WIN

### Camp's Racers Win Twice at Cobleskill—Record Crowd Attends.

Cobleskill, Sept. 24.—With the biggest crowd in the history of the Cobleskill fair in attendance today, horses owned by S. G. Camp of Oneonta carried off victories in straight heats in two of the three races which were carded as the big features of the day.

Mr. Camp's George Cliff won the 2:17 trot carrying a purse of $1,000, while Bellinardine carried off the honors in the 2:12 pace, with a purse of $500.

Oneonta horses again will occupy the track limelight today when H. M. Stanford starts Dick Foster and Mr. Camp, Elinia Todd, in the 2:17 pace for a $1,000 purse. F. E. Wil[illegible] rect in the same race. Mr. Stanford also will start Crex in the 2:15 trot, while Mr. Stanford's Pony Wood and Mr. Camp's The Peter Pan are among the aspirants for the free-for all honors.

Wednesday of last year's fair was considered the biggest day in its history, but today surpassed last year's mark by more than 200 single admission sales. Nearly 16,000 single admission tickets were sold today and the grounds were packed with people. Perfect weather and a smooth-working program containing many high class and attractive specialties, proved a big lure in drawing the record crowd. Early in the day a steady stream of cars poured into Cobleskill from all directions and at one time extended for two miles out of the village limits waiting for traffic to move to the grounds. State Troopers handled the congestion in a creditable manner.

### Tenth Leads in Markmanship.

The Tenth Infantry, Colonel Charles E. Walsh, commanding, an organization which Company G of Oneonta is a member, again leads the state in markmanship, having qualified more men with the rifle, pistol and machine gun than any other organization. Rifle course "A" was much harder this year but the regiment qualified 194, the 108th making second place with 165. The pistol qualifications number 147 and there were 245 in the machine gun units [illegible] gunners.

### MORE ABOUT SLEEP.

In a former article I spoke about a chap who was unable to sleep, because the washer on the water tap being worn, there was a constant dripping of the water. Yet he slept soundly notwithstanding the noise of a trolley car that passed within fifteen feet of his window, every half hour during the night.

Why?

Because the tap was an unusual noise, and the trolley car was not.

This unusual sound of the tap aroused his mental faculties and kept him awake.

Another man who always eats a little lunch, or drinks a little warm milk before retiring, will find himself unable to sleep if he omits the lunch or milk.

Why?

Again because his stomach has got the "habit" of expecting this food. The blood goes down from his head to the stomach in order to digest this food, and so his mental faculties becoming dulled he goes off to sleep.

If he should begin to think about the fact that he has not had his [illegible], his mental faculties will get even further aroused, and sleep will be even further away.

You see in this case of lunch before retiring, there is the mental and physical stimulus that is keeping him awake.

It is not uncommon in hospitals to give wakeful patients a bowl of warm milk, a few minutes before the lights are put out for the night. Now what about inducing sleep?

I don't want to go into all the methods [illegible] the counting of sheep going over a fence, and other ways of a similar nature.

The idea [illegible] is that the very monotony of the [illegible] of counting, will tire [illegible] by, and you'll drop off to sleep.

In other words [illegible] interest in the matter, and with the loss of interest [illegible] concentration, and with loss of concentration, comes [illegible].

So that to induce sleep the ordinary [illegible] of healthy people [illegible] matter of habit. You eat, [illegible] and sleep when the [illegible]. If you have worked too hard it may come on sooner, if not [illegible].

[illegible] will go off to sleep [illegible] way at the usual time.

[illegible] you can't go to sleep, there is a reason.

That reason is likely because something has happened through the day, or may happen on the morrow, that keeps your interest aroused. To get to sleep you must simply lose that interest for the time being.

## SUNDAY SCHOOL CONVENTION

### Delaware County Meeting October 30-31 to Consider Item of Finance.

Delhi, Sept. 24 — (Special) — The Delaware County Sunday School convention will be held at the Methodist Episcopal church, Walton, on October 30 and 31 and among the important matters to be considered will be the item of "Finance."

How easy it is to enjoy the fine programs in their ministry of knowledge and inspiration, how easy to tabulate the results of a year's work in the county and yet never for one minute consider the cost in man power and financial outlay. And we have so far forgotten this latter fact that there is quite an indebtedness due a former officer for his work.

At a meeting of the County Executive committee held last spring the financial situation was carefully considered and the fact established that the just indebtedness of the county organization to any individual must be cared for. And to this end a committee consisting of Frank G. Thompson, Rev. T. C. Bookout and Rev. E. C. Tamblyn were appointed to consider the ways and means [illegible] the past as well as the financial support of the new year may be adequately cared for and this committee is to report at the convention. This will be a tremendously important item of business. The county work if continued must be adequately supported financially. Only the convention has the right to approve that support. Only the delegates have the right to provide for that support. It is hoped tha there may be a most liberal response and that this important item and very trying situation may be cared for in a most progressive way at the convention.

## RICHFIELD SPRINGS FAIR

### Excellent Exhibits Draw Large Crowd Upon Opening Day.

Richfield Springs, Sept. 24. — The annual Richfield Springs fair opened here today with one of the best and most attractive lines of exhibits in its history. The display in agricultural hall was of an unusually high order and the large number of exhibits of interest in farm and home life drew a large number of interested spectators. Special entertainment attractions also drew large crowds.

Two races were run this afternoon. Cila Hall, owned by Harry Neal of Utica carried off first money in the 2:18 trot with a purse of $300. The following finished in the order named: Special Parole, owned by Victor Springer, VanHornsville; Baron Frisco, Jurland and Harp, Greene; Robert A., Thomas Castle, Norwich, and Fireworks, William H. Walton. The best time was 2:20.

The second race, a 2:24 pace, was won by Buster Boy, owned by H. Gray of Delhi. Otsego Walkes, owned by Wallace Getman of Richfield Springs carried off second money. Others finishing in the order named were: Miss Chamberlain, J. E. Turner, Warwick; Lee Peeler, William H. Austin, Walton, and Lillian B., F. P. Putnam, Syracuse. The best time was 2:19¼.

The fair will continue today and tomorrow with two races each day among the feature attractions. Friday will be Grange day when grangers from Herkimer and Otsego counties will be in prominence. Members of the organization will stage special horse races, an athletic meet and hold a big parade in which historical floats will hold the center of interest. Excellent weather is proving a big asset.

This, then, is real value received Klipnockie high grade coffee, freshly roasted and sealed in a tin can. You, too, will enjoy this full flavored coffee. advt 6t

## THE GUIDE POST—

BY

Henry and Tertius VanDyke

### AT HOME IN THE WORLD

**Surely God is in this place and I know it not.—Genesis 28:16.**

Many people suffer greatly because they are unable to find themselves at home in the world.

They rush restlessly from one thing to another, always dissatisfied, rarely at peace.

It is true we are but sojourners in this world. None of us can ever be permanently satisfied here unless we disobey Paul's clear injunction: "Quench not the spirit."

There must ever be a conflict within man. As I heard it skilfully described the other day:

"Man is a migratory creature with an instinct for permanence."

And yet the homing instinct can be satisfied here and now if we seek its fulfillment not in outward circumstances but in inward reality.

After all, this is God's world, and as living souls in it we have a course to run and relationships [illegible].

It is not so much the impermanence of outward things that gives us the feeling of being adrift and lost as the failure to realize the presence of God with us.

When once we grasp the truth, that it is the things which are not seen which are eternal, then we can pitch our tents each night with good cheer and enjoy even the passing pleasures of the moment.

For we shall be at home in the world, knowing the one thing vitally necessary to the peace of man—that God is with us.

# Announcing the Appointment of

# MORRIS BROS. FEED CO., INC.

## As Sales Agents for Sunoco Motor Oil in the Counties of OTSEGO AND DELAWARE

We take pleasure in announcing the appointment of Morris Bros. Feed Company, Inc., as selling agents for Sunoco Motor Oil and Greases in Otsego and Delaware counties. They will carry in Oneonta a complete stock of this famous distilled oil and also Sunoco Greases, and are prepared to give prompt service in these two counties.

### Use a wholly distilled oil

You can't see lubrication. The better it is, the less it attracts your attention. You know it's at fault only when trouble occurs.

You get better lubrication when you use Sunoco Motor Oil. It gives your motor more power, smoother action, longer life; and it's a good preventive of repairs and needless expenses.

Sunoco Motor Oil is wholly distilled in every type. Wholly distilled means an absolutely pure and uniform oil—free from cylinder stock.

Cylinder stock, which is the cause of most hard carbon deposits, is a heavy, waxy, green residue added to light oil to produce heavier-bodied oils. Such oils are compounded oils.

There is a right type of Sunoco for your car; a wholly distilled oil free from cylinder stock. It is this distillation which gives you pure oil; effective lubrication in every drop. It explains the fact that with Sunoco you have no hard carbon deposits, fewer repairs and cleaner spark plugs. Most motor troubles are due to improper lubrication. Sunoco is good lubrication.

Ask Morris Bros. Feed Company, Inc., or any Sunoco dealer for a copy of the booklet, "Motor Lubrication.", You'll learn a lot about lubrication that you don't know now.

### Learn something about grease

You grease your car, or have it greased, to keep wearing parts lubricated. Maybe you think all grease is alike, and it doesn't make much difference what grease you use.

Greases vary greatly; many contain water; some have lime; others asbestos and other adulterants. Probably you have had annoying squeaks, "frozen" springs and shackle-bolts, which sometimes cause repairs and replacements. They may mean something wrong with the grease you are using.

Sunoco Pressure Lubrication is a different kind of grease. It is pure, solidified oil, made from petroleum products exclusively.

### Here are the facts

Grease is oil held in a heavier substance to give it body, so that it will stay where it is put; like water in a sponge. In most greases the "sponge" is a heavy hard soap containing animal or vegetable fat. It has little lubricating value; it dries and cakes; clogs the bearings. When you force fresh grease into the bearings, it may not reach the right spot at all, because that hard soap has clogged the bearings.

In Sunoco Pressure Lubricant the "sponge" is petroleum; never dries or cakes; pure lubricant throughout. It contains no moisture, lime, asbestos or other non-lubricants or adulterants. If you've used other greases, have the bearings where the grease has been used thoroughly cleaned. Then use Sunoco Pressure Lubricant, stop the squeaks, protect the bearings, save money, and play safe.

## BASTARDLY ASSAULT

### Committed on the Garage on the Arthur M. Butts Farm at Maryland Last Night—No Clue to Offenders.

What appears to have been a dastardly assault during an attempt to steal a motor car was committed on the Arthur M. Butts farm at Maryland last night about 9:30 o'clock and there is no clue to the offenders.

At the hour named, Mrs. Lynn A. Weeks, residing on the farm, went to the garage to close it, the men folks having come in from a busy day filling the silo and removed their shoes, forgetful of the fact that the garage had not been closed for the night. Mrs. Weeks, accordingly, went out for the purpose and while at the garage saw three fellows skulking about near the building and when one turned a flashlight upon her she screamed to her husband to come and bring a gun.

A moment later she observed, as she now recalls it, an arm swinging downward in front of her face. She recalls nothing further but her cries brought the men from the house and she was partially dazed by what was unquestionably a blow from a billy. On her forehead was found a bad bruise and the back of her neck is sore from the effects of the blow.

In the excitement of the affair the three men made a getaway in a black touring car, which had been standing near the farmhouse. State Troopers from the Sidney barracks were on the scene in about a half hour, but no trace of the men could be found. They doubtless were far from the scene.

Mrs. Weeks is of course unable to give any description of the three men whose forms she saw. There is little doubt that the men were planning to make away with one of the two cars in the garage. The building is so placed that with the doors open a car could easily be pushed out upon a decline and into the highway where, also, there is a decline and the car would coast to the dip in the state road just above the Maryland hotel.

The injuries sustained by Mrs. Weeks are not considered serious, but the men of the household would like to learn the identity of the offenders and their present whereabouts.

## GARBER'S VICTOR ORCHESTRA

### Another Nationally Famous Orchestra Secured by American Legion for Annual Armistice Dance.

Announcement was made last evening that Oneonta post, American Legion, has secured Jan Garber and his Victor Record orchestra to provide the music for their annual Armistice dance which will be held at the Oneonta armory Monday evening, November 10. The orchestra was formerly known as the Garber-Davis orchestra, but at the time of signing the contract to make records for the Victor company the name was changed to that of Garber's Victor Record orchestra.

The announcement is made with considerable pleasure by the officers of the Legion, who feel that they have secured another nationally famous and exceptionally fine orchestra for their annual big dance. It will be remembered that last year the Georgia Melodians were secured for this affair and that at that time the Legion thought that along with Paul Whiteman's orchestra they had given to Oneonta the best of dance music.

The Melodians were, however, but a substitute for Garber's, and it has been planned to secure the original Garber orchestra as soon as possible. This was made possible by the fact that this organization is playing at Binghamton Tuesday evening, Armistic night, for a big guarantee, and had Armistice eve open. Even with that hold, the Legion is forced to pay $800 for their services.

Garber's Victor ochestra is a novelty aggregation producing a number of vaudeville stunts without impairing the quality of their dance music, and without question another record crowd will pack the armory on November 10 for this big event.

## AUTOS STRIKE TWO BOYS

### Neither Seriously Hurt, According to Reports Made Here.

Two boys were struck by automobiles, according to reports made at police headquarters yesterday, but neither was seriously hurt.

G. H. Bond of 23 Miller street declared that his automobile struck a boy opposite 10 Center street about 2 o'clock yesterday afternoon and that he took him home. Mr. Bond said the youngster, whose name he did not obtain, did not appear to be injured and his parents made no complaint.

Darius Gardner, Otego R. F. D. No. 2, reported striking Howard Stanley, young son of Mr. and Mrs. Morris Stanley at West Laurens, shortly before 9 o'clock yesterday morning. Mr. Gardner said he was driving around the corner at the school house and that he sounded his horn. The boy, according to Mr. Gardner, started to cross the road but changed his mind and started back so that the driver did not have time to avoid hitting him. He was struck by the front left fender and knocked down. Mr. Gardner took the boy to his home where he walked from the car to the house and did not appear to be seriously injured.

Roy Vrooman of Cooperstown declared he was coming down Main street yesterday near Sheldon's livery stable barn and as he was about to turn into the livery stable with the truck he was driving, a car driven by Howard Woolheater of 250 Main street, Oneonta, collided with him. Little damage was done.

C. T. Frew of Lancaster, Pa., R. F. D. No. 6, reported damage to both front fenders of his car when an automobile belonging to J. E. Kane stalled in the highway near Maryland, the collision following in Mr. Frew's effort to get around the other machine.

## MISSIONARY ELECTION.

### Young Woman's Foreign Society of First Methodist Church Meets.

The following officers were elected to the Young Woman's Foreign Missionary society which held its first meeting on Tuesday evening at the home of Mrs. C. Shear, 24 Elm street: President, Mrs. Iva Shutts; vice president, Mrs. Liela VanBuren; second vice president, Miss Lena York; third vice president, Mrs. Dorothy Bolton; recording secretary, Mrs. Luella Dunbar; financial secretary, Mrs. Hill; corresponding secretary, Miss Edith Salisbury; treasurer, Miss Emma Bennett; counselors, Mrs. Hays and Miss O'Neal.

The officers were installed by Mrs. C. J. Westcott and a few appropriate remarks made by the retiring president. The society voted to serve two suppers, a chicken pie supper on October 3, and another with an equally tempting menu on October 4. The price will be announced later.

Following the business meeting a social hour was enjoyed and light refreshments served.

## CITY W. C. T. U. MEETING

### Minister Home From Fiji Islands Speak to Large Gathering at Community House.

Forty members of the W. C. T. U. were present at the meeting which was held at the Community house yesterday afternoon, there being representatives from six missionary societies of the city. The opening devotional services were conducted by Mrs. Van Patten in connection with which she spoke in an interesting manner of the significance of the Crusade Psalm.

The visiting speakers of the afternoon were the Rev. and Mrs. Weaver of Schuyler Lake, the former being pastor of the Methodist Episcopal church at that place. Mrs. Weaver spoke upon conditions in the Fiji Islands, Japan, India and Honolulu, contrasting the temperate habits of the people of those countries with those of Americans. She pled with the W. C. T. U. to continue its program until it became world wide and prohibition was established in every country.

The Rev. Weaver then gave a sketch of life in the sacred city of India, mentioning an incident in which a license to sell drinks was sold at auction for $2,000 by the government. He is of the opinion that the natives of the eastern countries learn the drinking habit from the people of western Christian civilization.

Following the talks by Rev. and Mrs. Walker, two enjoyable solos, "The White Ribbon," and "Wind The Ribbon Around the World," were sung by Mrs. Leta Briggs.

The following delegates were elected to the State convention: Mrs. L. Evelin, Mrs. Robert Hall, Mrs. F. Frisbee. Alternates were: Mrs. Willard Fisk, Mrs. E. A. Nearing and Mrs. P. Tuck.

## POSTURE LEAGUE CONTEST

### Movement for Better Posture in City Grade Schools Opens Again Next Week—Corrective Exercises Follow Contest.

Another Posture league contest, similar to the one held last year, will start in the city grade schools next week and while the contest will close the week before Christmas, still corrective exercises will be carried on individually for the balance of the year. A cup will be awarded to the school which has the highest standing and banners will be given the best grades in each school.

The movement is one to promote better standing and sitting posture, and has only its beginning in the contest. The contest really only tends to show the work which may be done and where most of the work must be done. It also allows individual work with corrective exercises to be arranged.

The teachers will give ratings for each pupil but frequent inspections will be made by Supervisor A. E. Risedorph, who has the campaign in charge, and who will attend to the cases which evidently need corrective exercise.

## Spurns Prince

Here is a young woman who once turned down a dance "bid" from the Prince of Wales. She is Mrs. Bessie Allen of Los Angeles. Five years ago she was visiting in Lethbridge, Alberta, and so was the prince. "Eddie" spotted her and asked her for a dance. Dressed only in her street clothes, she demurred. But the prince persisted, so she changed her mind and stepped out with him for several numbers.

## DEATH OF MRS. G. W. LAIDLAW

**Esteemed Former Resident of Oneonta and Native of Walton Passes Away at East Orange, N. J.**

Intelligence of the death of Mrs. Grant W. Laidlaw, occurring at the hospital at East Orange, N. J., Tuesday evening following an operation for the relief of gall stones, was received by Oneonta relatives yesterday and news of her demise will cause profound regret among a wide circle of friends in this city. There will be a brief service from her late home at East Orange this evening and the body will be brought to Oneonta, arriving at 9:55 a. m. Friday, and there will be further services at 10:30 o'clock from the United Presbyterian church, conducted by Rev. A. R. Skinner, the pastor. Interment will be at Glenwood.

Isabell MacPherson was born at Walton June 24, 1864, and her early life was passed there. She was united in marriage with Mr. Laidlaw on December 26, 1887. They resided successively at Walton, Delhi, Oneonta, Canaan, Conn., and since 1914 at East Orange, N. J. During their residence here, extending over a period of about 10 years, she was an active member of the United Presbyterian church and of Martha chapter, Eastern Star, her church membership having been transferred later to the Congregational church at East Orange, but she retained her membership in Martha chapter.

Surviving her are the husband, three children, Walter G. Laidlaw of Syracuse, Mrs. W. R. Wood of Oneonta, and Mrs. J. E. Mills of East Orange, and three sisters, Mrs. Olliver Carson and Mrs. Mary Telford, both of Oneonta, and Mrs. John McCarthy of Brooklyn.

Mrs. Laidlaw possessed many endearing qualities and has a wide circle of friends, both in the city and in Walton, and all will extend sincere sympathy to the sorrowing family to which she was very devoted and by which she was cherished with a filial affection that is tenderly remembered by all who knew the family.

## JUDGE ON MARK TWAIN

**Pastor of Universalist Church Speaks Enjoyingly Before Kiwanis Club on the "Humor of Mark Twain."**

Rev. J. A. Judge gave an interesting address before the Kiwanis club at its weekly luncheon yesterday, the subject being, "The Humor of Mark Twain."

Captain Judge had met the humorist in his home in Hartford, Conn., and from the first was deeply impressed with the keenness of his personality. He rose to great heights when talking with his friends. He was a 100 per cent American, who saw not the obstacles at his feet, but rather the empire of tomorrow. His eyes were on the America that is to be. He had keen eyes to see through snobbery.

Another characteristic of Mark Twain was the love of people. He had a marvelously big heart for children. He knew the boy even better than does Booth Tarkington, and he always kept young himself. He loved to go about and mingle with the children.

His habits about the home were peculiar. He often wore pajamas and slippers until late in the day and some of his best work was done while lying on the floor, with carpenter's pencil in hand and a roll of paper before him.

He considered the church of vital interest and believed the churches should be liberally supported.

Mr. Clemens was a genius but was a bad business man. Like a great many fine fellows he was always broke or nearly broke. He was able to see great things in the future but could not see the present.

The speaker told of the failure of a publishing house in which Mr. Clemens was interested and how he would not compromise on a part payment but made a lecturing tour of the world and paid every dollar of the indebtedness; and though still broke, he was an American gentleman.

Captain Judge interspersed his talk with illustrations of the kindly humor of the great and beloved author and all who heard him came to better appreciate the worth and characteristics of Mark Twain.

P. W. Huesgen presided over the luncheon and Miss Gladys Huesgen favored the members with two beautifully rendered piano solos.

Other guests at the luncheon were J. M. Wayman of Charlotteville and E. W. Bolton of this city.

### High School Athletics.

A squad of nearly thirty is attending the football practices which are being held for the High school. While no games are to be played this year, the squad shows exceptional promise and it is hoped that interest will warrant the school in putting a team in the field next year.

Starting either late this week, or the first of next, special backfield and line work will be given the men by Coaches Riseborph and Perschke.

Interschool soccer tournaments will start the second week in October. There will be two classes, fifth and sixth grades and seventh and eight grades.

Some preliminary basketball work is being done at the school and prospects are bright for the Yellow and White. Games are now pending with Albany, Schenectady, Binghamton, and Norwich assuring a fast and certainly not easy schedule.

### Corn Roast at Goodyear Lake.

The Y. P. C. U. of the United Presbyterian church will hold a corn roast at Goodyear lake Friday evening at 8 o'clock. Arrangements have been made to combat with the temperature so a good crowd is expected. Each person is requested to bring a dime. Cars will leave the church at 7:30.

Have you arranged for a warm place to keep your car this winter or are you going to be penny wise pound foolish and store in a cold place so the paint will all fall off in the spring? ## SECOND GLANCE AT DEDICATION EVENTS

John Fitzgibbons, legislative representative of the Brotherhood of Railroad Trainmen for New York State accompanied Lieut. Governor and Mrs. Lunn to Oneonta and immediately started booming the planks which the organization will ask be inserted in each major party platforms by their respective state conventions. Mr. Fitzgibbons was especially interested in the proposed plank which would call for legislation allowing the registration of absentee voters.

"Thousands of citizens," said Mr. Fitzgibbons, "are engaged in work such as railroad work which makes it impossible for them to appear in person and register as now is required. This is equivalent to indirectly depriving them of their right to vote and the trainmen believe that a method should be legislated whereby an absentee voter can register."

When the band followed by the automobile procession arrived at Neahwa park, Lieut. Governor Lunn was escorted to the pagoda by General Chairman Roarick, David Devine and W. D. Blake. The second raking executive of the state laughingly remarked that the event looked like Andy Gump's campaign party. Now, Messrs. Roarick, Devine and Blake are bereft by worry in their efforts to figure out whom the Lieutenant Governor meant when he referred to Andy.

The ball in the state armory still is being talked about. About 500 persons attended and beauty was much in the limelight. Chairman Roarick and others in charge felt deeply the failure of the big revolving electric dome to work because of a blown out fuses and a burned out motor. But the absence of the added illumination failed to prove a damper to the light fantastic enthusiasm and the luring dance music played by Wiedemyer's celebrated orchestra from Huntington, West Virginia, kept everybody's feet busy until the wee sma' hours of the morning. A large number of Oneonta's younger set were very weary yesterday.

Mr. Lunn apologized in starting the introduction of his address because he had not been able to dig up a story about a railroad. But he said that he could tell one that happened in a railroad station. According to him it went something like this:

Seventeen men were lined up before the ticket window in a railroad station waiting to purchase tickets when a drunken man pushed his way to the head of the line and put down thirty-five cents.

"Gish me tickish to San Francishco," he demanded thickly.

"Why, you big lunkhead," snapped the agent, "you can't go to San Francisco for thirty-five cents."

"'Ats sho," stuttered the drunk, "then where can I go to?"

Then according to the speaker the seventeen men took a hand and showed him.

President Lee of the Trainmen's Brotherhood, despite the ravages of long and debilitating illness showed the same old fire and fighting spirit that has made him a national figure His energy and remarkable grasp of all the details of the work of the trainmen's brotherhood with which he has been connected in an official capacity, was demonstrated in his address and especially in his extemporaneous remarks.

President Lee spoke plain English in stating his position with regard to politics and also with regard to strikes.

"So far as I know," he declared, "I control just one vote and that is my own. But I always have considered it my duty to honestly place the record of each political candidate before the members of the brotherhood in order that he may have all possible information in making his decision concerning for whom he would cast his ballot. I consider the members of the brotherhood are of sufficient intelligence to make their own decision without being told how to vote by anyone else.

"I know I have been criticized by some of the so-called more energetic members for not acting in some of these matters more quickly. But I want to tell you that after years of experience I have found that it is easier to get men into trouble than to get them out. I would rather arbitrate a month than strike a single minute."

None of the big events on the program lacked music of an unusually high order. For the parade, Company G prize winning band led the line and played at the park. At the banquet in the Elks' club, the Oneonta Syncopators held the musical limelight, while Wiedemyers orchestra made a decided hit at the grand ball in the armory.

Little Miss Marguerite Cline, looking very pretty and dressed all in white, made a good job of it when she smashed the highly embellished bottle of prune juice over the bumper of the caboose, completing the final ceremony of dedication. After the smash, nothing remained bigger than a peanut except the neck, which she grasped in her hand. It seemed good to see a young lady perform without any evidence of stage fright.

Before leaving for home yesterday morning, President Lee said that final decision as to the further improvement of the pagoda housing the caboose, was made yesterday at a conference between him and General Manager Loree of the Delaware & Hudson railroad. An appropriate rail will be constructed around the pagoda and a drinking fountain placed inside.

Hundreds of Oneonta men and women as well as many visiting trainmen, the speakers and invited guests passed into the caboose at the end of the dedication and signed the register, which will be preserved among the records of the organization.

The following inscription is on two bronze plates which have been placed on either side of the caboose:

"Benevolence—Sobriety—Industry"

"In this caboose, at Oneonta, N. Y., September 22, 1842, eight train and yard employes of the D. & H. C. Co., arranged to organize the B. of R. R. R. The title was changed October 27, 1863, to the B. of R. T.

"Persuaded that it is for the mutual welfare of our members and their employers, that a good understanding should at all times exist between the two, it will be the constant endeavor of this organization to establish mutual confidence and create and maintain harmonious relations."

It was very noticeable that everyone that could get in front of the lens of the movie man's machine while he was grinding the crank, managed to do so. It's no use trying to say that human nature has no touch of vanity. Some excellent posing was done.

Just a bit of political significance was seen in one of Mr. Lee's remarks during his address. He warned his hearers that the trainmen's organization was not one that followed the red flag and emphasized the fact that it believed in keeping its agreements and allowing every human being to worship as he or she saw fit. He also said that there had been too much railroad legislation for anyone's benefit.

William (Bill) Gurney, one of the original founders and who still is connected with the D. & H. as a conductor, attended the dedication. Mr. Gurney has a host of friends along the line and is widely known in Odd Fellow circles where he has enjoyed the highest office in the gift of the state organization.

One of the most interesting visitors was C. G. Woodworth of Cleveland, who "owned" the caboose when the organization took place. He is credited with being the first recognized grand master of the local lodge. The second meeting, according to Mr. Woodworth, was held in the Ford building at Main and Broad streets. Frank Peck, who ran a print shop, was finally sworn in as a member, and a copy of the ritual given him to be printed. Mr. Woodworth has not been in Oneonta since 1886.

Published rumors that Mr. Lunn was going to be sidetracked at Syracuse in the nomination for lieutenant governor apparently put the lieutenant governor in a fighting mood politically. While he refused to comment on the report, he made it perfectly plain there would be no sidetracking of his candidacy without considerable smoke being raised.

Fine job printing at Herald office.

Away Goes Eczema

Peterson's Ointment

"One day a druggist told me," says Peterson, "that Peterson's ointment was the best remedy he sold for eczema. But you'll never make any money on it," he added, "because it heals so quickly that only a little ointment is used." All druggists, 35c. Advt.

Combined average, month ago, 90.24; year ago, 86.35.

New York, Sept. 24.—Stock prices made further recovery in today's market with sales exceeding a million shares for the first time in nearly three weeks. Easy money rates and the circulation of favorable political forecasts had a bullish effect on sentiment.

Professional traders continued to supply to bulk of the buying power, although commission houses reported that the recent sensational advances in some of the specialties had resulted in an increase in public interest. The upward movement in today's market, unlike some of the previous sessions, embraced virtually the entire list, although early gains were modified in the closing transactions.

Two score issues, of which 10 were public utilities and six rails, broke through their previous high prices for the year. The list included Laclede Gas, Peoples Gas, Standard Gas and Electric, American Waterworks, Frisco, Missouri Pacific preferred, Southern Railway, Studebaker, Nash Motors, United States Cast Iron Pipe common and preferred, the three Worthington Pump issues, General Baking, Texas Gulf Sulphur, and Allis Chalmers preferred.

Weekly steel trade reviews reported a slowing up of steel buying, due to the abolition of the "Pittsburgh-plus" price plan. The steel shares showed little change on the day, United States Steel touched 109⅞, and then fell back to Tuesday's closing price of 109.

Merger rumors and the favorable showing made by August earnings statements and September traffic returns contributed to the strength of a number of popular railroad shares. Activity of St. Louis Southwestern, which was run up more than three points to 44¾, brought forth a flood of rumors including the early acquisition of that road by the Southern Pacific and the placing of the junior issue on a dividend paying basis. Net gains of one to two and one-half points were recorded by New Haven, Union Pacific, Southern Pacific, Southern Railway, Chicago & Great Western preferred, Missouri Pacific preferred, Seaboard common and preferred, Texas & Pacific and Wheeling & Lake Erie preferred.

Special exhibition of strength in Mexican government obligations and in individual public utility and industrial issues marked trading in bonds today. Prices continued to forge ahead although gains were limited for the most part to fractions.

A strong underlying demand for railroad mortgages was again in evidence today, although there was few individual features in this group. Predictions by the president of the New Haven railroad that the road would be able to refund next year's maturities without difficulty aided these bonds. The demand also included West Shore, Rio Grande Western, St. Paul, Canadian Northern, and Northern Pacific liens.

# ALL WOMEN WHO WORK

**Should Know how this Worker was Made Strong and Well by Lydia E. Pinkham's Vegetable Compound**

Zahl, N. Dakota.—"I was nervous and weak and was not regular. I also had pains frequently. I was sickly for seven years and finally had a nervous breakdown following an operation. I am a dressmaker and milliner, and a lady I work for told me of Lydia E. Pinkham's Vegetable Compound. I am taking it and it has made me well and able to do my work again. I have even helped take care of a sick neighbor recently, so you can see how fit I am. I highly praise your medicine and you may use my letter as you see fit. I hope it will help some other women."—Mrs. OLE NORDLIEN, Box 23, Zahl, North Dakota.

Over 121,000 women have so far replied to our question, "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?" 98 per cent. of these replies answer "Yes."

This means that 98 out of every 100 women taking this medicine for ailments for which it is recommended are benefited by it. For sale by all druggists.

**TAX NOTICE.**

The tax roll and warrant for the collection of the school tax for the city of Oneonta, N. Y., has been placed in my hands and I will be at my office at the Municipal building each day from 9 o'clock in the forenoon until 4 o'clock in the afternoon, excepting between 12 o'clock noon and 1 o'clock in the afternoon and Sundays and holidays and half-holidays, for the next 30 days from the date hereof, for the purpose of receiving and collecting the taxes assessed upon such roll. Such taxes received and collected will be in conformity with the city charter, of which the following is an extract:

"On all taxes or assessments paid within thirty days after the first publication of the notice the chamberlain shall collect no fee nor additional percentum. On all taxes or assessments remaining unpaid after the expiration of such thirty days the chamberlain shall collect five percentum additional, and all remaining unpaid after the expiration of sixty days from such first publication shall bear, and there shall be collected thereon, in addition to the said five percentum, interest at the rate of one percentum per month from the expiration of said sixty days, which percentage and interest shall belong to the city."

Dated, Oneonta, N. Y., Sept. 22, 1924.
C. H. Bowdish, City Chamberlain.

**NOTICE TO CREDITORS**

That toasted nut flavor is in the blending and baking—for Malt Breakfast Food is made from specially grown whole wheat and malted barley, steam cooked 20 hours—then toasted brown as a partridge breast, and just as savory.

Made while the coffee boils.

Your grocer should have it.

### BACK IN TOILS AGAIN

**George Dorr, Albany, Again Faces Court for Intoxication.**

George Dorr of Albany who paid a $10 fine after pleading guilty before City Judge VanWoert Monday morning to a charge of public intoxication, again appeared before Judge VanWoert yesterday morning, having been arrested a second time soon after his release and under similar circumstances.

Dorr was arrested the first time by Officer D. D. Brown at the Delaware & Hudson station and the officer declared that he met with considerable resistance in getting the man to headquarters. He was arrested the second time by Officer O'Dell and in addition to the charge of intoxication, Chief of Police Horton charged him with disorderly conduct under section 720 of the penal law.

Dorr pleaded guilty yesterday morning and was fined $25 and sentenced to thirty days in the county jail. The jail sentence was suspended.

Frank Walter, who was arrested by Officer Farone, accused of illegal train riding, pleaded guilty and paid a fine of two dollars.

Officer Crouch arrested Richard J. Delehanty of Charleston, Mass., about 3:15 o'clock yesterday on Broad street on a charge of public intoxication. He will be arraigned this morning.

**Training Class to Meet.**

Milford, Sept. 24. — The initial session of the teachers' training class of the Milford Methodist Episcopal Sunday school will be held at 7:30 o'clock tonight in the church. The class will convene weekly during the next two months. The speaker tonight will be Professor Frank Wolford of Hartwick Seminary, who will talk on "The Teacher and His Textbook." It is expected that Professor Wolford's address will be of unusual interest not only to Sunday school teachers and officers but to the general public as well.

**Birthday Party.**

Mrs. E. Kenney entertained recently at the Kenney camp on Goodyear lake with a birthday party in honor of her son, Gurdon Kenney. # PLEASANT SOAP WASHES AWAY FRECKLES IN A FEW DAYS

**Costs Only 50c, Results Guaranteed**

Almost any girl would spend many dollars and endure any sort of treatment to be rid of freckles.

But the best way is the simplest. And the simplest way to get rid of freckles is to wash the face with Stiefel's Freckle soap and let the freckles fade out while you sleep.

Stiefel's Freckle soap is guaranteed to remove freckles within a week or your money will be refunded.

Stiefel's soap is not a bleach. It is a pleasant, safe soap. Losing your freckles is merely a matter of washing your face with Stiefel's soap, rubbing in the creamy lather, and leaving it on your face over night.

The house of J. D. Stiefel has made medicated soaps used and prescribed by physicians for over seventy years. Ask your doctor.

Stiefel's Freckle soap is dispensed by local druggists with a guarantee to return your money if your freckles don't quickly disappear.

You can get Stiefel's Freckle soap at the following good stores: Slade's Drug store, Hutson's Drug store, Gildersleeve's Drug store, The Sherman Pharmacy, Everybody's Drug store, Dickson Bros. Advt.
